UNITED STATES INTELLIGENCE BOARD

COMMITTEE ON DOCUMENTATION

Subcommittee on Classification

MEMORANDUM FOR: Subcommittee on Classification

SUBJECT : Agenda for Meeting of Subcommittee

1. The Air Force member has proposed certain changes (see attachment) to the ISC in order to alleviate indexing problems encountered in their [REDACTED] System.
2. Some of the members have indicated a concern over the number of revisions to the ISC made recently. Therefore, a meeting of the Subcommittee is scheduled for 2 P.M. Thursday, 18 May 1961, conference room, 350 26th Street, to determine:
 - a. How indexing procedures can be changed to obviate need for revisions.
 - b. The various types of changes which should be considered for revisions to the ISC; the various types which should not be considered.
 - c. The specific procedures to be followed in putting revisions into effect.
3. Please consider these problems carefully so we may come to some firm conclusions which may be referred to the CODIB for approval or decision.

STATINTL

[REDACTED]
Chairman

Attachment:

As stated above.

MEMORANDUM FOR: Chairman, CODIB Subcommittee on Classification

SUBJECT: Proposed Changes to the Revised Intelligence Subject
Code Dated February 1960

1. The attached changes to the Intelligence Subject Code are proposed to accommodate the indexing of certain subjects in order to alleviate indexing problems encountered by the Air Force.
2. Your approval of the proposed changes is requested so that they can be issued to our analysts at the earliest date possible.
